

# You're invited to a Zoom Tea Party

**Saturday, June 5, 2021**  
**10:30 am – 12:00 pm PDT**  
\$10 registration (\$15 after May 20)

You're invited to a virtual Tea Party! All those who register will receive a special party box delivered to your home before the event. But don't open it too soon! A Zoom link will be emailed to you. Once everyone has logged on, we'll all open the party boxes together. Delicious cookies and delectable teas are just some of the surprises that await you. During the party, Pastor John Wang will give a short reflection on personal connections during the pandemic. A cookie contest and fun, engaging questions will follow. All of this from the comfort of your own home. Come join us for a morning of connectivity and become a cookie connoisseur too!

Registration is \$10 per person (or \$15 after May 20). Register early to ensure delivery of your party box before the event. All proceeds will benefit The Sheepfold; a local ministry providing shelter, safe refuge and new beginnings for homeless, abused and forsaken women with children. Additional donations to support The Sheepfold organization are welcome.
